WOMEN'S
CONFERENCE

LYFE Women's Conference

We serve one powerful Lord, share one beautiful faith, enjoy one grace-filled way to salvation. That one God and Father of all created you—one daughter of the King, chosen and unique. You are an original masterpiece, fearfully and wonderfully made for one purpose. You have one life to live for one glory—His! Join us at the LYFE Women's Conference, May 20–21, 2022, as we reflect on our one true God and our unique identity in Him. Gather with us as one body, daughters in the family of God who are ready to grow in Him—our one living hope! At LYFE 2022, you'll learn about this important theme throughout the conference.
